

Welcome Aboard MR BLEWETT,

You have successfully completed your online registration. We are excited to be part of this memorable vacation with you. Please note — a brief check-in process is still required. Your identification will be verified and a photo taken for security purposes; your stateroom key will be waiting for you on board in your stateroom mailbox. For the most current health and safety protocols and requirements, please visit [HollandAmerica.com](https://www.hollandamerica.com).

- Please note certain items are prohibited onboard and if found during screening may be subjected to disposal at the pier. Please visit [HollandAmerica.com](https://www.hollandamerica.com) for more information on which items are prohibited,

You can use this paper copy at the pier or the digital boarding pass in the Holland America Line Navigator app.

To help expedite embarkation we recommend you do not print this page until approximately 2 weeks prior to embarking on your cruise if you are not using the Holland America Line Navigator app. This will allow time for the boarding barcode to be added to the left side of your boarding pass. (If you are participating on an Alaska Cruisetour starting with the land tour first, you do not need a barcode on the boarding pass.)
